Summary

A motivated Computer Science student with strong foundations in Java, Data Structures, and Web Development. Interested in building scalable applications and leveraging modern technologies to solve real-world problems. Seeking opportunities to apply my skills and gain industry experience.

Education

Tontadarya College of Engineering, Gadag 2022 – 2026
B.E. in Computer Science and Engineering (CGPA: 9.4)

Sri Guru Resi PU Science College, Gulbarga 2021
Pre-University Board (Percentage: 87%)

Mangrule High School, Akkalkot 2019
SSLC (Percentage: 90%)

Skills

Languages: Java , SQL
Core Concepts: Object-Oriented Programming (OOP) in Java, Data Structures & Algorithms in Java
Frontend: HTML, CSS, Javascript, React.js
Backend: Servlets, Spring Core, Spring Boot, REST APIs
Databases: PostgreSQL, MongoDB, MySQL
Dev Tools: GitHub, VS Code
Soft Skills: Teamwork, Communication, Problem-solving, Leadership, Decision Making

Projects

Efficient Security and Configurations in Layer-3 CISCO Devices Oct 2024 – Jan 2025
- Designed a secure Layer-3 network connecting two campuses using Cisco routers and multilayer switches.
- Configured VLANs, ACLs, SSH, and NAT for secure and efficient communication.
- Built a website to showcase configuration commands, topology, device details, and documentation.

Placement Readiness Tracker Oct 2025
- Developed a Placement Readiness Tracker using Firebase, Next.js, and Tailwind CSS.
- Tracked student performance through assessments, coding tests, and analytics.
- Integrated Gemini API for real-time scoring and personalized recommendations.

Core Java Console-Based Applications — Java, JDBC, MySQL Jan 2026
- Built console applications like ATM System, Student Management System, and User Registration System.
- Implemented authentication, CRUD operations, and input validation.
- Used JDBC with MySQL for database integration and data management.

Experience

Echobrains Dextris Private Limited - Java Fullstack Intern
- Worked as a Java Full Stack Intern involving frontend and backend development.
- Developed and maintained web applications using Java, Spring Boot, HTML, CSS, JavaScript, and React.js.
- Assisted in building REST APIs, debugging issues, and improving application performance.
- Gained hands-on experience in real-time project development and software development lifecycle (SDLC).

Achievements

- 1st place in Hackfest 2025 organized by TCE, Gadag.
- Elite Silver Medal – NPTEL (Programming in Java). Secured Elite Silver certification with a score of 86% in a 12-week NPTEL course (Jul–Oct 2025), conducted by IITs/IISc.

Certifications

- Secured 1st Prize in College-Level Hackathon 2025 at Tontadarya College of Engineering (TCE).
- Awarded Best Paper Presentation in the Project Symposium 2025 held at Tontadarya College of Engineering (TCE).
- Received Hackathon Participation Certificates for various national-level events.
- Completed Data Structures and Applications course from Infosys Springboard.
